This material has been prepared for informational purposes only, and is not intended to provide, and should not be relied on for, tax, legal or accounting advice. You should consult your own tax, legal and accounting advisors before engaging in any transaction. Do not expect the funds quotes performance to continue in the future. Studies have shown that funds that have outperformed their peers in the past generally do not outperform in the future. Strong past performance is often a matter of chance. Investments are subject to market risk, including possible loss of principal. Diversification does not ensure a profit or protect against a loss in a declining market.
